INFORMATION REGARDING LICENSURE BY CREDENTIALS

Thank you for your interest in Licensure by Credentials in the State of Alabama. The requirements for this method of licensure are listed in Code of Alabama, (1975) § 34-9-10 (e) and Board Rule 270-X-2.19. Please carefully review these requirements to insure you are eligible for this type of license.

The application process for this type of license requires two applications. An application must be submitted to Professional Background Information Services (PBIS) for the purpose of Level II background verification. PBIS charges a fee of five hundred dollars and 00/100 (\$500.00) for this service and payment must be made directly to PBIS. In order to obtain the application from PBIS the following information is provided: (please use the following information)

PBIS
Professional Background Information Services
23460 N. 19th Ave., Suite 225
Phoenix, AZ 85027

Phone: (602) 861-5867 Fax: (602) 861-9656
E-mail: pbisonline.com

The Board also requires the submission of an application. The fee for applying for Licensure by Credentials is Two thousand dollars and 00/100 (\$2,000.00) for a dentist and One thousand dollars and 00/100 (\$1,000.00) for a dental hygienist. Both of the fees to PBIS and the Board must be received before the application process can begin. Both fees are non-refundable. If either the PBIS application or the application to the Board is returned without the required fees, the applications will not be processed or considered.

Due to the detailed nature of the background verification, it may take 45 to 90 days for PBIS to request and receive all the required documentation. When PBIS concludes the background verification, the application will be forwarded to the Board and you will be notified. Prior to that notification any questions regarding the status of the PBIS's background verification should be directed to PBIS. Enclosed is a copy of Board Rule 270-X-2.19 which sets forth in detail the requirements for Licensure by Credentials and the type of information and documentation which will be required.

It is also a requirement that an applicant for Licensure by Credentials successfully pass a written jurisprudence examination to be administered by the Board. In accordance with 34-9-10 (Code of Alabama, 1975), any applicant for licensure must be a citizen of the United States or, if not a citizen of the United States, a person who is legally present in the United States with appropriate documentation from the federal government.

If you have any questions about the procedure for obtaining Licensure by Credential, please call the Board's office at (205) 985-7267.
