Alabama Residency:

As An ADHP student, you are not required to be a resident of Alabama, although you are required to work for and be sponsored by an Alabama dentist.

As part of the requirements for licensure once you complete the ADHP program, you will have to prove Alabama residency as part of your licensure application. If you are not an Alabama resident, you will be required to apply for a PBIS background report at the time you apply for licensure. The PBIS report will cost an additional \$300 - \$500 at the time of application for licensure. The PBIS report is not required to participate in the ADHP program.

Please make sure that you print and thoroughly read the Important ADHP 2019 – 2020 General Information section. Do not return it with your application packet.

Incomplete forms will be returned.

Applications must be postmarked by Apr 30, 2019.
