BOARD MEETING SUMMARY

January 14, 2021

The Board of Dental Examiners of Alabama met Thursday, January 14, 2021, via videoconference. All members were in attendance, as were selected staff members.

The meeting came to order at 6:01 P.M. The Board then took the following actions: appointed a committee of Mr. Edmonds, Dr. Marshall Williams, and Alabama Building Commission project architect Dan Woods to review a submission of qualifications, and make a recommendation at the February meeting as to that submission; approved a request to fund a former Board member's continued membership in the American Association of Dental Boards; approved a student's request to continue in the Alabama Dental Hygiene Program, despite having missed a lecture weekend because of unexpected, significant medical circumstances; and appointed Ms. Kay Alexander as a Board representative to CITA, in place of Dr. Cunningham, at Dr. Cunningham's request.

The Board then approved various license and permit applications, and made decisions as to various disciplinary actions.

The meeting was adjourned at 6:48 P.M.
