BOARD MEETING SUMMARY

March 4, 2021

The Board of Dental Examiners of Alabama met Thursday, March 4, 2021, via videoconference. All members were in attendance, as were selected staff members.

The meeting came to order at 6:02 P.M. The Board then took the following actions: discussed the character or professional competence of a member of the public in executive session; extended its acceptance of manikin-based clinical licensing exams to December 31, 2022; rescinded a Board Opinion governing Continuing Education, which opinion had slowly grown obsolete; requested that the clinical licensing exam for graduates of the Alabama Dental Hygiene Program be conducted on manikins through 2022; determined to offer the ADHP Instructor Certification course at the Gulf Coast Dental Conference, if that conference is held as scheduled; and appointed Kay Alexander to observe an upcoming accreditation visit at Calhoun Community College in Decatur.

The Board then considered various license and permit applications, and made decisions as to various disciplinary actions.

The meeting was adjourned at 7:09 P.M.
